

## IRRADIATION COMMENT FORM

**attention FDA: keep irradiation labeling!**

Re: Docket # 98N 1038,  
"Irradiation in the  
Production, Processing,  
and Handling of Food"

JUL 28 1999

TREATED WITH  
IRRADIATION

AND FOOD IRRADIATION IS EVIL!!  
believe, the FDA should keep its requirements to  
prominently label irradiated packaged foods and  
non-packaged foods by always displaying the radura  
logo along with the words "treated with irradiation."  
I feel alternative terms such as "cold pasteurization"  
are misleading and should never be used.
